Department of Environmental Quality  
Environmental Science and  
Services Division

CERTIFIES:

**RTI LABORATORIES, INC.**

**HAS BEEN EVALUATED AND IS APPROVED FOR THE FOLLOWING  
PARAMETERS FOR THE ANALYSIS OF DRINKING WATER:**

PROVISIONAL CERTIFICATION

**ORGANIC CHEMISTRY**

Ethylene Dibromide, and Dibromochloropropane  
Chlordane, and Toxaphene  
2,4-D, 2,4,5-TP, Dalapon, Dicamba, Dinoseb, Pentachlorophenol, and Picloram  
Aldrin, Atrazine, Butachlor, Di(2-ethylhexyl)adipate,  
Di(2-ethylhexyl)phthalate, Dieldrin, Endrin, Heptachlor, Heptachlor Epoxide, Hexachlorobenzene,  
Hexachlorocyclopentadiene, Lindane, Metolachlor, Methoxychlor, Metribuzin, Propachlor, and Simazine  
Haloacetic Acids

**This certification requires maintenance of an acceptable quality assurance program, use of approved methodology and equipment, and satisfactory performance on evaluation samples.**

**This certification does not guarantee validity of data generated.**
